DON CLAUSE, Chorus Director & Coach Extraordinaire

In over five decades of his "barbershopping career," "Coacher Don", a retired real estate developer, has led, coached or directed more quartets and choruses to international championships and medals than any other coach or director in the history of the Barbershop Harmony Society. As long-time director of New York's Big Apple Chorus, he led them to a number of international medals and directed concerts in major European cities. Under his direction, the Big Apple Chorus appeared annually on stage of Radio City Music Hall as well as Carnegie Hall- once accompanied by the New York Pops under Skitch Henderson.

GEORGE G. GIPP, Chorus Director & Performance Coach

As a nationally known motivational speaker, George Gipp has brought the same passion for expression to over three decades of barbershop harmony winning numerous medals with championship quartets and choruses in Chicago, Cincinnati, Jacksonville and Rockford, Illinois. An internationally recognized quartet member and chorus director, Gipp is also a Certified international Presentation competition judge.

DAVID ELLIS, Singing Coach and 3rd Place International Medalist

David began barbershopping back in Dec. of 1986. David has sung in a total of 7 different quartets and has achieved the status of Third Place finalist at the International level. He has also received 3 district championships. David has been a member of three different choruses also achieving a third place medal. He has coached numerous choruses and quartets to the district champion level. His coaching specializes in Sr. quartets, singing at all levels, and performance impact. David is in the Barbershop Harmony Society judging program. He is often sought after to teach classes, give private voice lessons, and assist tenor section singing.

CYNTHIA HANSEN ELLIS, International Visual Performance Coach

Cindy Hansen Ellis has carved a successful career out of her talents as choreographer, show design and show package creator. "Born to Barbershop" best describes her exposure and experience in the Barbershop and Sweet Adeline worlds. Cindy started in Michigan and developed her skills with directors and choreographers alike. She has coached many of our outstanding choruses including **Vocal Majority, Masters of Harmony, Northbrook, Northern Lights, AVP, Alliance** and others of our outstanding choruses. She takes pride in helping quartets develop performance personalities including **FRED, A Cappella Gold, Swinglish Mix, Affinity, 4 Voices, Lunch Break, Allies, Glory Days, Metropolis, Power Play, Freestyle**, among many others. Cindy has been active as a teacher at countless schools and workshops in both the Barbershop and Sweet Adeline organizations. Cindy's work also extends outside the barbershop world and includes such organizations as Disney World.

SARASOTA CHORUS OF THE KEYS

Founded in 1949 by a Boston Irishman named John Whelan who came to watch the Boston Red Sox play at Payne Park, the Chorus of the Keys has carried the tradition of singing a cappella barbershop harmony through to this day, sixty years later. One hundred and forty members strong, the Chorus won the Florida State Championship in 2004 and again in 2009. The Chorus entertains upwards of 10,000 people each year and has filled the Van Wezel Performing Arts Hall to capacity every year since it opened. In addition to singing and spreading good cheer, the Chorus has donated over \$100,000 through scholarships and other community activities.
